WHAT THE OWNERS SAY

We moved here in July 2019 as a young couple starting our married lives together in our first ever home. We have made great memories here and absolutely loved our flat. We have some great neighbours and the convenience to WGC Town centre and the train stations is a real bonus being very close to everything you could need from supermarkets, a shopping mall to Stanborough Lakes just a 5 minutes drive away!

It is great to have our own Patio to enjoy on a nice day, and the roof terrace is great for larger gatherings.

We will be very sad to say goodbye to this flat but hope the next occupants make as many lasting memories as we have.
