The cottage is accessed across a quiet no-through lane and occupies a peaceful position surrounded by established mature gardens.

Bridle Cottage is Grade II Listed with the original building dating back to the mid eighteenth century, and later additions built in the last 25 years.

The ground floor comprises of an entrance hall, sitting room with wood burning stove, kitchen/dining room with an oil fired AGA, a second sitting room which has been used as a bedroom in the past, with an attached shower room, and a conservatory which opens out to the rear garden.

Stairs from the dining area lead to the first floor where there is a large dual aspect bedroom with fitted wardrobes, a second bedroom also with fitted wardrobes, and a family bathroom.

Externally the grounds are extensive, extending to approximately 0.65 acres. There is a driveway, providing off street parking for a number of cars which also leads to the single garage. A second pedestrian access to the cottage has a foot bridge straddling a brook which runs to the side of the property's boundary. To the front of the plot is a stone outbuilding which has been used as a workshop/studio in the past and has a WC.

The gardens wrap around both sides of the property and include an expanse of lawn, established planting and mature trees.

There is potential to extend the property, subject to obtaining the necessary consents.

The property is available with no onward chain. We understand there is mains water, sewerage, and electricity, and the property is centrally heated by way of an oil fired boiler.
