Property Summary

"As I walked around this spacious home I could really see the vast potential throughout ". - Matthew Gilbert, Senior Branch Manager.

Available to the market is this incredibly versatile three/four bedroom detached family home located within one of the most sought after residential areas within the historic village of Charing. The property is situated only a few hundred meters from the High Street, the church and local sports and playing fields. It also enjoys the opportunity of permitted access to the Moat Lake and gardens.

This house is configured to include an entrance hall, large 21ft lounge and dining area, study/garden room, kitchen/breakfast room, cloakroom and fourth bedroom/TV snug room.

To the first floor there are three double bedrooms, a family bathroom, a large airing cupboard and two long cupboards within the eaves.

Externally this home is located on a corner plot which offers considerable gardens to the front and rear as well as two patio areas, a driveway and detached single garage, with an additional carport area alongside.

Charing village itself is incredibly desirable with a mix of shops, primary school, micro pub, active church, library and doctor's surgery. The village also supports great commuter links with easy access to the M20 and its own mainline railway station to London Victoria. Charing Station can also be used to link into a fast 37 minute service to London St Pancras via Ashford International Station.

This property does require extensive refurbishment but its key location and excellent potential to enhance and possibly extend should not be missed. Please book a viewing to avoid disappointment.
