Description

We are delighted to be able to offer this development opportunity at Courtleigh, which is situated in the heart of the village of Westbury Leigh. Full planning has been granted for three x 4 bedroom detached dwellings with parking. The site is accessed via a shared drive to Courtleigh House past the 'Hollies Public House'. There is a gradient to the shared driveway, however the site is level providing excellent views over the village. The land has been cleared by the vendor to give a better idea of scale.

Cooper and Tanner Warminster residential office will be well placed to provide guidance on the local market completed development sales values, and interested parties must undertake their own investigations and satisfy themselves in respect of potential scheme end values.

Planning was approved on 26/4/2024, for the erection of three detached dwelling houses and associated landscape works including formation of car parking. Further details regarding the planning consent are available from the selling agent or can be found via the Wiltshire Council online Planning Portal using reference PL/2023/08411.
