3D Virtual Tour Available- Take a closer, more detailed look around via our 3D Virtual Tour! Don't forget that you can also check availability for viewings online via a visit to our website...We have lived in our extended home since 1999. The house sits in prime location and we have loved our time here. We moved in with our four children and we are within walking distance to various schools. There is also two great parks just a few minutes walk away. There are local shops within easy reach. The house has been a great family home and is still enjoyed now by our children and grandchildren, there is plenty of space for several cars to park and even room to keep our caravan on the drive. The garden is well established and has decking for outdoor relaxing as well as a greenhouse, shed and garage.
