A delightful, recently refurbished south facing two bedroom town house with garaging and parking, forming part of a select development of just nine properties set within a substantial country house. Located within very easy access of the high street and open forest areas of the much acclaimed village of Brockenhurst.

The Property

A private entrance leads into a lovely sitting room which benefits from large windows to the front with southerly aspects overlooking the well maintained gardens and grounds. Stairs from here lead up to the first floor. A feature dividing wall benefits from floor to ceiling built in cabinetry providing excellent storage units, shelving and space for a TV. An opening leads from here into a newly fitted contemporary kitchen with two tone units with coordinating walnut effect base units and cream fronted wall units with complimentary worksurfaces. Appliances include an inset sink unit, induction hob and built in Neff ovens. On one wall, tall units accommodate further storage and provide space for a large fridge freezer. A large larder and utility area completes the ground floor and is set under the stairs offering additional storage and plumbing for a washing machine.

Both rooms feature attractive Amtico 'herringbone' wood effect flooring and high ceilings befitting of a period property. Further access leads from the kitchen area out to the garden and patio seating area.

The first floor landing provides access to both bedrooms, storage cupboard and main shower room. Both bedrooms benefit from elevated southerly views across the gardens and built in wardrobe/storage with the principal room having had bespoke floor to ceiling fitted wardrobes installed providing for excellent storage. The shower room offers a white suite comprising of a wash hand basin, w.c. and walk in shower unit with complimentary tiling to the walls and an airing cupboard.

A pull down loft ladder provides access from the landing to the loft area which is currently used for storage and as an occasional studio. This area could be further developed we believe subject to the necessary consents being granted.
