A shingle driveway providing plenty of off street parking solutions. There is a garage behind the next door property which is accessed via a private lane to the side of the neighbouring home.

WHAT THE FAMILY SAY

People visiting our house often remark on what a great spot it is, and it really is- not only is it a peaceful location where you can be on countryside walks in minutes, likewise you can reach the independent shops & restaurants of the village in the same amount of time. It's hard to pick a favourite room of the house because everyone wants the mezzanine bedroom (the view from the skylight on a sunny day is fantastic) but it probably remains the kitchen diner because it's so open & spacious. We often have family & friends over and all sit round the big table, and countless art projects have been completed there!
