Description

In a central village location, this elegant stone-built Victorian double fronted home, with garden and garage, has enviable views of the church, the village and the Mendips beyond.

Typical of its time, a central entrance hall runs between the two well-proportioned reception rooms, both with beautiful bay windows and fireplaces. The light, spacious kitchen is to the rear of the house, and is fitted with wall and base units with integrated dishwasher, oven and hob. It leads through to the garden room which has tranquil views over the private rear garden. A single storey extension to the side of the original Victorian build provides a versatile extra room, currently used as a study, with French doors to the garden, and which houses the stairs to the first floor. This room links the garden room to the rear hallway where there is a cloakroom. The four bedrooms are upstairs, each with its own unique character. The two double rooms enjoy fabulous

views across the village, both have built-in wardrobes, and the principal bedroom has an ensuite shower room. There are two further bedrooms and a family shower room. The house is warmed by gas central heating.

Outside

Chimes is perched above Glanville Road behind stone boundary walls, box hedging, and stone steps which lead up to the front door. The rear garden is a private haven hidden away from the hubbub of village life. It is landscaped with a paved terrace extending out from the house creating a secluded tranquil spot for alfresco entertaining or relaxing. The garden is well-established with lawn, rose beds, shrubs and trees, with a summerhouse and stone shed. A garden gate opens to the driveway with access to the single garage.
