## PROPERTY DESCRIPTION

Forming part of George Avenue 20a The Island is a newly modernised re-decorated and re-carpeted extended semi-detached residence. It is situated in a quiet cul-de-sac a short distance from the crossroads on Sutton Road with the former A5 on the south side of Tamworth. All the usual amenities are within comfortable reach including Ventura Retail Park which is about five minutes drive away. There's also a local convenience just up the road, regular bus services to Birmingham and Tamworth at the end of the road, whilst the popular Longwood Primary School is also only a short distance away.

Constructed in brick beneath a pitched tiled roof the residence stands back from the roadway behind a wide frontage having a pillared brick boundary wall with block paved driveway inset with pebbles to the very good size single car garage flanked by lawn. The accommodation has been extended by the addition of a sun room and extending the kitchen both backwards and sideways and also extensively refitted with a new fitted kitchen, bathroom and ground floor w.c. along with new re-decoration and floor coverings throughout.
