Property Description

Thomas Connolly Estate Agents are delighted to present this extended and versatile five-bedroom family home, located within a popular residential setting. Originally a four-bedroom property, it has been thoughtfully enhanced with a loft conversion and a garage conversion, creating generous and flexible accommodation ideal for growing families.

The ground floor offers a welcoming entrance hall with access to a useful WC and storage cupboard, leading through to the bay-fronted sitting room. Positioned at the rear is a well-proportioned dining room that connects seamlessly into the modern kitchen, featuring good worktop space and a practical layout. An orangery has been extended off the back of the dining room, providing additional living space with views over the garden. To the side, the former garage has been converted to create an additional room currently used as a bedroom, complete with its own WC and wash hand basin. The first floor provides four bedrooms arranged around a central landing, including the main bedroom with an en-suite shower room, along with a family bathroom. From the landing, stairs rise to the second floor where you'll find a spacious fifth bedroom formed as part of the loft conversion.

39 Edzell Crescent, Westcroft, Milton Keynes, MK4 4EU

Location

Outside, this home enjoys a private rear garden of good size, while to the front there is a carport and driveway parking comfortably accommodating 2–3 vehicles. Situated on Edzell Crescent in the sought-after area of Westcroft, the property benefits from excellent local amenities including Westcroft District Centre, offering supermarkets, cafés and everyday conveniences. The area is well regarded for its schooling options and abundant green spaces, with nearby parks and walking routes providing ideal outdoor recreation. Westcroft also offers easy access to Central Milton Keynes, major road links and rail connections, making it a popular choice for families and commuters looking for a well-connected yet community-focused location.
