Surrounded by stunning grounds and with countryside views, this Grade II listed period home was originally built in the 1850's and since converted into apartments offers stylish living in a lovely period building. Our top floor, two bed apartment offers well-proportioned accommodation and has lots of original features, and is convenient for local shopping in Henley High St. We are offering the apartment for sale with No Upward Chain. The property would benefit from some updating and modernising in some areas.

Approached via a sweeping driveway surrounded by glorious open parkland leads you through to this elevated handsome period property which stands proud in well cared for communal grounds. The private grounds offer visitor parking and apartment five has its own double garage en bloc. A short walk from the parking areas and garage is a pathway leading to the rear of the property where the communal entrance gives access to the stairs and apartments. Stairs lead you to the second floor where number 5 is located.

APARTMENT 5

A well-proportioned and welcoming 'L' shaped hallway offering lots of storage has period style beams and picture rail and doors radiating off to both living and sleeping accommodation. The galley kitchen with superb countryside views has wooden fronted wall and base mounted units with a useful breakfast bar, display shelving, and the opportunity to also purchase the current white goods if required. The formal dining room is of grand proportions (currently houses a dining table and chairs seating 8 people and still has lots of space surrounding) and with being dual aspect, allows lots of natural light to filter through, and again offers super views. Access from the dining room takes you into a lovely elegant sitting room complete with a feature Adam-style fireplace with marble back and hearth and inset gas fire.

The apartment offers two spacious bedrooms, both with fitted bedroom furniture and great views. The guest bedroom (currently being used as a sitting room) has the benefit of a private WC and wash basin off the bedroom so ideal for visiting friends and relatives. The main bathroom is fully fitted with plenty of storage, low flush WC, hand basin and tub style 'walk in-sit down' bath ideal for less mobile buyers.
