DESCRIPTION

An immaculate two double bedroom end terrace home set in a quiet cul-de-sac on the western fringes of the city, close to lovely countryside walks. The property benefits from gardens to the front and rear along with two parking spaces and has eight years remaining on the NHBC guarantee.

Upon entering the house is a spacious hallway. To one side is a good size cloakroom with w/c, wash hand basin and space for coats and shoes. Across the hall, double doors open to a large utility cupboard, which houses the 'Logic' combi-boiler and has space for 'day to day' storage along with space and plumbing for a washing machine. A half-glazed door opens into the open plan kitchen/dining/sitting room with French doors leading out to the garden. The kitchen comprises a range of white gloss fitted units with black worktops and integrated appliances including a Zanussi electric oven, gas hob, slimline dishwasher and fridge/freezer. A peninsula unit, with inset 1 1/2 bowl sink, naturally divides the kitchen from the living space and has cupboards on the kitchen side and open display shelving to the seating area. The sitting and dining area offers plenty of space for both comfortable seating and a dining table to six to eight people and has a lovely aspect of the garden, with French doors leading out to the patio and garden beyond.

From the main living space, stairs rise to the first floor with two double bedrooms and the family bathroom. The larger of the bedrooms is a generous double with large wardrobe included and rear aspect over the garden the Mendip Hills in the distance. To the front is a smaller double with built-in over-stairs cupboard offering plenty of useful storage space. Adjacent to the cupboard is a deep alcove ideal for bedroom furniture or an ideal space for a home office/study area. This bright room benefits from two windows looking out over the front garden. The bathroom, with grey and white marble effect tiles, features a bath with shower above, toilet and wash hand basin.

OUTSIDE

Situated at the front of the property is a tarmac parking area which provides parking for two cars. A paved path leads past the front garden to the front door. The front garden is mainly laid to lawn

with hedging on three sides and a border of shrubs and flowering plants on the fourth side. A gravelled area provides space for a bench or bistro set and is the perfect spot to sit and enjoy the garden. To the side of the house is a pedestrian gate opening to a side path.

The rear garden is fully enclosed with a pedestrian gate leading to a side path. A patio area, also accessed from the sitting/dining room, is the ideal space for outside furniture and alfresco dining. Beyond the patio is an area of lawn with borders of trees, shrubs and flowering plants.
