24 Forest Park Lodges, Kingford, High Bickington, Devon, EX37 9BN

Guide Price £120,000

24 Forest Park Lodge is a stylish detached 2 bedroom holiday home, with excellent holiday let rental potential, constructed to a residential standard and built to full authority regulations.

The park itself is extremely quiet and surrounded by woodland giving a peaceful feel. The local village of High Bickington is just a short drive away with a village shop, post office, surgery, church, village inn and more. Barnstaple, North Devon's Regional Centre, a short car ride away has further amenities with larger superstores and High Street shopping alongside many restaurants and cafes.

The lodge comes with permission for full 12 month holiday use and the remainder of a 999 year lease, from the date of the property being built. The position of the lodge is also particularly attractive affording a high degree of privacy and taking advantage of the wonderful rural views towards Exmoor National Park. Owners also have the use of the on site swimming pool at an additional annual cost.

The Taw Valley is located in the heart of the Devon countryside. This area contains a wide variety of countryside, from the wild and bleak moors of Dartmoor through the less well-known rolling farmland with its "sunken" lanes to the spectacular rugged North coast. The fast flowing River Taw rises on Dartmoor at Belstone Cleave, then rushes over the rocks and tree roots before broadening into a mature river. It passes through peaceful farmland containing the milkfields of Devon as it draws water from tributaries and other rivers as it makes its way to the coast. Forest Park Lodges are situated in a beautiful valley setting surrounded by forest. The nearest village of High Bickington remains largely unspoilt and retains much of the character of a North Devon village.
