## DESCRIPTION

A splendid two bedroom mid terrace house situated within close proximity of the city centre with a large kitchen/dining room looking out to private gardens and the benefit of off road parking. The house is presented in excellent order throughout and would make for a perfect first time purchase or downsize move.

Upon entering the property is a hall which opens into the sitting room. The sitting room benefits from a southerly aspect and a large storage cupboard. There is plenty of space for comfortable seating and an attractive fireplace with electric fire in situ makes a lovely focal point. The kitchen/dining room, which runs the width of the property, is a spacious room and features an array of fitted units with white cottage style doors and drawers, space for both an electric cooker and washing machine along with an area for a table to comfortably accommodate four to five people. The kitchen has views over the garden and a door opening out to the patio and gardens beyond. The inner hallway provides access to the staircase and the well-appointed shower room comprising a corner shower enclosure, wash basin, toilet, heated towel rail and light up mirror.

Stairs rise to the first floor landing, which has ample space for a study area or for further storage, and leads through to a spacious double bedroom and single bedroom. The double bedroom runs the width of the house with built-in storage and views overlooking the garden. The second bedroom is a single in size but could also be used as a home office if desired.

## OUTSIDE

The gardens have been well-tended to over the years, designed to be low maintenance whilst also being a lovely

space to enjoy the sunshine and ideal for alfresco dining and entertaining. The enclosed rear garden features a patio, lawn, borders planted with flowering plants along with a wooden shed for storage. To the front of the house is a parking area for one car.
