## The Property

A spacious entrance porch provides a practical boot room and cloak storage, opening into the entrance hall.

The kitchen/dining/family room forms the central living space, with tiled flooring throughout and a pleasant double aspect.

French doors open directly onto the patio, connecting the room with the gardens. The bespoke kitchen is fitted with a range of wall, base and drawer units with solid wood work surfaces, incorporating an induction hob, electric oven and space for an American-style fridge freezer.

Double doors lead through to the garden room, extending over 25ft, with underfloor heating, a triple aspect and a vaulted ceiling with Velux windows, providing excellent natural light and further French doors to the terrace.

A separate living room sits off the kitchen, featuring a double aspect, oak engineered flooring and a brick fireplace with log-burning stove, creating a strong focal point.
