

First Time to Market Since 1953 – Semi Detached Home on a Sought-After Cul-de-sac in Datchet.

This much-loved three bedroom semi detached home is coming to the market for the first time since it was built in 1953, offering a rare chance to secure a property in one of Datchet's most popular residential roads.

Owned by the same family since new, the property offers a traditional layout with two reception rooms, a separate kitchen, and three good-sized bedrooms. While the home would now benefit from general updating, it provides a fantastic canvas for buyers looking to personalise and add their own touches.

The property occupies a well-proportioned plot with a private rear garden and driveway parking, surrounded by similarly well-maintained homes in an established, peaceful setting.

Just a short walk to Datchet village, the River Thames, and the train station with direct links to London Waterloo, this home combines a traditional facade, great potential, and a prime location.

No onward chain.
