WHAT THE FAMILY SAY

ABOUT WELWYN GARDEN CITY

Welwyn Garden City was founded by Sir Ebenezer Howard in the 1920s and designated a new town in 1948. It was aimed to combine the benefits of the city and countryside. Welwyn Garden City was an escape from life in overcrowded cities to a place of sunshine, leafy lanes, countryside and cafes. Emphasis was placed on the Garden City's healthy environment. Today the town centre is a busy and bustling place with a selection of shops. The Howard Shopping Centre is located in the centre, where you can find a selection of high street favourites including John Lewis. There is also a Waitrose, Sainsburys and ALDI. There is also a quaint cinema, showing the latest films. If you fancy a spot of lunch the town is home to a plethora of coffee shops, independent restaurants and well known chains including the French restaurant Cote which overlooks the fountain and for a real buzzing atmosphere.
