Location

Speldhurst is one of the most sought after villages situated on the fringes of Tunbridge Wells. The property is within walking distance of the 'new' local village shop, to include a post office. The well respected Junior School and the very popular village recreation ground which is favourable with families of all ages is also only a short walk from the property. In the summer it is host to local cricket matches and all are welcome. There is an annual Summer Fayre where all the villagers get involved in creating a magnificent event for all age groups. Properties like this rarely come to market as villagers tend to remain within this area for many years. There are good rail links from Hildenborough, Tonbridge or High Brooms, to London MLS within a short drive from this property. This picturesque village also boasts a magnificent church and one of the oldest pubs in the South East, both being served well by the local community.
