Description

A charming 18th century home with character, space, and countryside appeal. Nestled along a peaceful country lane on the edge of the sought after village of South Woodchester, Sandy Cottage is a delightful semi detached period home dating back to the 1700's. Brimming with character, this beautifully presented property offers five bedrooms, two reception rooms, a double garage, off road parking, and pretty enclosed gardens, the perfect blend of history, comfort, and practicality.

An entrance porch opens into a spacious hallway with useful storage and a cloakroom with WC. The sitting/dining room is a particularly lovely space, light and inviting, with windows to both the front and rear, making it perfect for family gatherings and entertaining. An attractive arched opening leads through to a second reception room, ideal as a snug, home office, or playroom. The kitchen is fitted with an excellent range of wall and base units, a Belfast sink. From here, a rear lobby with stable door opens onto the garden, with space for white goods neatly tucked away. Upstairs, the first floor landing features stripped pine floorboards and leads to four generous bedrooms. The principal bedroom is bright and airy, with a charming window seat overlooking the front. Bedrooms two and three are also good sized doubles, while bedroom four, currently used as a study, enjoys a large picture window with garden views. The family bathroom is centrally located and offers a bath with shower over. A staircase rises to the second floor, revealing a lovely fifth bedroom with both window and Velux roof light, the perfect private retreat for a teenager or guest.

Outside

To the front, a low cotswold stone wall encloses a charming seating area, perfect for a bistro table to enjoy the morning sun. A feature Victorian lamp post with glass lantern adds a distinctive touch of character. To the side, there is off road parking for two cars and a double garage with power, lighting, and an up and over door, a rare find in a village setting. The rear garden is private and enclosed, offering a timber decked entertaining area ideal for summer barbeques, a lawn, and a variety of fruit trees, a delightful haven for family life.
