Description

6 Seven Waters is a individual detached home, peacefully situated in a semi-rural setting on the edge of open fields in the popular village of Leonard Stanley, just a few miles west of Stroud. The village enjoys a friendly, inclusive community feel, with two well regarded primary schools nearby and the shops and amenities of Kings Stanley within easy reach. For those who love the outdoors, beautiful countryside walks begin just moments from the doorstep.

Built using traditional methods, the property has been thoughtfully updated by the current owners to create a home that is both stylish and comfortable, while still offering scope for further enhancement including potential for extension or a garage conversion, subject to the necessary consents. The ground floor features a practical porch, ideal for muddy boots, and a generous entrance hall with understairs storage. This leads into a bright and spacious 21' sitting/dining room, with a multi-fuel stove set into a fireplace and glazed doors opening onto the rear garden. The kitchen is fitted with sleek, modern cabinetry, complemented by a rear hall and a cloakroom/WC, which also has plumbing for a washing machine. Upstairs, a light filled galleried landing gives access to three well proportioned double bedrooms, two of which benefit from built-in storage. A family bathroom serves the floor, and a large landing cupboard offers excellent storage with potential for conversion into an en-suite shower room for the adjacent bedroom, subject to building regulations. Tastefully decorated throughout, the house enjoys lovely views from the rear windows across the garden to the open fields beyond, the perfect backdrop for relaxed country living.

Outside

To the front of the property, a driveway provides parking for several vehicles and leads to an integral garage with up-and-over door. There is gated access to both sides of the house, one of which includes a useful gravelled area ideal for bin storage, a wood store, and an electric vehicle charging point. The rear garden enjoys a good-sized level lawn, enclosed by picket fencing and beech hedging, with lovely views over open fields. A paved seating area in the far corner is perfect for relaxing or entertaining, and thoughtfully planted borders add a touch of colour and character.
