ACCOMMODATION:

This unique and versatile home has been thoughtfully adapted and modernised by our clients, to provide flexible accommodation with two entrances, allowing the fifth bedroom to form a self-contained suite if required. The principal reception hall at the heart of the home, divides bedroom accommodation on one side of the property from living space on the other, as well as featuring two useful fitted storage cupboards. The naturally bright sitting room has dual aspect windows and sliding doors to the garden, while the multi-fuel stove and attractive fireplace offer an appealing focal point. The adjoining kitchen/breakfast room is sure to form the social hub of the home, whilst a comprehensive range of fitted wall and base level cabinetry, complimented by ample work surfaces, ensure this is also a practical space to cook. Fixtures include a stainless steel drainer sink with mixer tap, dishwasher, cooker hood, induction hob and twin under counter ovens, with additional space for a large American style fridge/freezer. Accommodation flows naturally through to a large second reception room, flooded with sunlight through the glass roof lantern and sliding doors, which open to a large south facing deck. Currently used as a dining room, this area could also provide a fabulous playroom due to the open plan arrangement and great sightlines. There are four further bedrooms on the other side of the property, three of which are well proportioned double rooms with a fourth generous size single. The larger primary suite features a range of wardrobes and access to another superbly appointed ensuite shower room. The remaining bedrooms are served by the family bathroom, which comprises of a modern white three-piece suite including pedestal wash basin, WC and bath with shower attachment over.

A brick paved driveway leads through the generous front garden, eventually opening out to provide off road parking in front of the property, as well as access to the garage via a roll up door. Established shrubs, trees and hedgerow afford good privacy levels in the front garden, making this also a useable space for recreation. Meanwhile the rear garden is notably large, and loosely defined into various landscaped areas for entertaining, horticultural opportunities and recreation space. The large deck adjoining the dining room doors, and the large gazebo covering the terrace and
