DESCRIPTION

This detached pre fab bungalow adjoins farmland with many windows having countryside views. Offering good sized accommodation, the property would now either benefit from being refurbished or replaced (STPP). Included within the sale is the detached two storey stone barn with attached single storey garage / workshop. This also has the potential to be converted into a dwelling.

The bungalow is entered from the front into the entrance hall with a storage cupboard and doors to the principal rooms. The master bedroom enjoys views over the garden and the adjoining countryside. There are built in wardrobes with storage cupboards over. The second bedroom, also a double, has built in wardrobes with storage cupboards over and views to the rear. Across the hall, the large bathroom has been converted into a wet room, with low level wc, pedestal wash hand basin and shower unit with rail, curtain and waist height screen. The dual aspect sitting room has views to front over the garden and farmland to the rear, and a wood burner on a raised hearth.
