Description

Situated at the top of the cul-de-sac, this detached bungalow has been improved by the current owners to include a recently re-fitted kitchen and bathroom and is now presented in tasteful decorative order throughout. Most of the rooms have a double aspect making this property feel bright and spacious, the recently fitted kitchen has integrated appliances and a breakfast bar and the lounge is centered around an electric fireplace and is large enough for a dining table. All three bedrooms, two doubles and a single, have built in wardrobes and the spacious family bathroom has been re-fitted with a modern suite. Outside there is off road parking for several cars, a garage and to the rear a good sized area of garden enjoying a westerly aspect.

Norman Close is situated a short distance from Battle High Street which has a comprehensive range of amenities including independent shops, doctors surgery, dentist, bars and restaurants. The mainline station with regular services to London Charing Cross and the coast at Hastings, is just a short walk from the property and the area is well served for schools, both comprehensive and private at primary and secondary levels and viewing is highly recommended.

Directions

From our office in Battle High Street, proceed in a southerly direction turning left at the mini roundabout into Marley Lane and proceed down turning left just before the level crossing into Norman Close. Bear left at the fork and No 2 will be round at the end of the cul-de-sac.
