## Description

A stunning, characterful detached barn conversion nestled in the heart the thriving village of Mark, a peaceful yet well-connected community.

Offering the potential for multi-generational living, this substantial home sits on a generous plot with an additional 1.8-acre paddock, complete with four stables, making it ideal for equestrian enthusiasts or those seeking a countryside lifestyle.

A spacious and welcoming entrance with ample room for coats and shoes, sets the tone for the character and warmth of the home. The adjoining breakfast room provides a versatile space with views over the garden and flows into a traditional farmhouse-style kitchen with traditional cabinetry and a range cooker. From here there is access to the utility room, cloakroom and rear garden.

The generous sitting room provides a cosy retreat with a log burner, exposed beams, and character features and flows into the spacious dining room. From here, an additional reception room, with vaulted ceiling, currently used as a music room - leads onto a double bedroom with ensuite. Both rooms have access to the garden and could easily be configured to create a self-contained annexe.

Upstairs, the landing is a large and versatile space which could easily incorporate a study area. From here, one single and three double bedrooms, each with their own charm and character, are served by a family bathroom and a separate shower room.

## Outside

The impressive driveway with turning circle provides parking for several vehicles. The generous rear garden is mainly laid to lawn and features a decked area, ideal for entertaining on summer's evenings. A track leads to an additional generous parking area next to the stables and paddock, with plenty of room for turning boxes and lorries. Here there is a summer house and additional storage shed. A post and rail fence separates the paddock and stabling area-providing everything that the equestrian lover would need.
