Owners Loves

We love that the house has so much beautiful character with loads of history- it's amazing having so many original features in an otherwise modern home.

It's so fantastic being close to all of Buntingford's wonderful amenities. We love that within 2 minutes we can get a lovely glass of wine, a stunning roast dinner, nip up to the post office or to the pharmacy. It's just brilliant being so central. Our favourite part of every day is walking our children back from school via feeding the ducks!

We love that the home office/ studio space allows us to separate business from leisure. It means we can work from home in a suitable space, or exercise without having to leave home. We've worked really hard to create a really versatile space.
