The inviting living room, situated at the front of the property, features a lovely log burner with a stone hearth and an oak beam above, perfectly complementing the flooring throughout the room. Adjacent to the kitchen, there is a cozy area ideal for a dining table, complete with useful under-stairs storage. The open-plan kitchen seamlessly connects to the living area through an archway, boasting wood-effect units that pair beautifully with black worktops and quarry-tiled flooring, offering ample storage space. The room is fully tiled and includes an airing cupboard with a tank and shelving. Enjoy the luxury of underfloor heating for those cooler days. On the second floor, you'll find an attic room currently used as Bedroom 2. Although it has some head height restrictions, the room is clad, insulated, and benefits from dual-aspect Velux windows and ample eaves storage. This cozy space offers a unique and versatile area for various uses.
