DESCRIPTION

Cooper and Tanner are delighted to present to the market, this immaculately presented two-bedroom maisonette, situated within the popular location of Vicarage Street, in Central Frome.

The property is accessed via a communal hallway, with the front door to 22b being situated on the first floor.

You are welcomed into the private entrance hall which has a large window, flooding this quaint space with natural light, and stairs that ascend to the main living accommodation of the Maisonette. On this floor, the property is laid with hardwood flooring which has only recently been installed. There is a modern and high spec kitchen which provides a range of wall and base units, in addition to an integrated eye level oven and space for freestanding appliances. There is an inset steel sink with window overlooking vicarage street. Beyond the kitchen/diner, is a large lounge with vaulted ceiling and beautiful beams. There is plenty of space here for lounge furniture and even an additional table and chairs, if necessary.

The family bathroom is also on this floor and benefits from a bath with shower over, w.c and wash hand basin. This room has recently been tiled and there is a window surrounded by exposed brick.

On the second floor of the property, two bedrooms can be found. The second bedroom is a small single, which has been utilised as a walk-in dressing room previously and bedroom one is a good size double room. Both rooms have Velux windows, allowing for lots of natural light.

The flooring is brand new engineered wood and newly installed high spec. radiators.
