THE LAND

The land is contained by mature hedgerows and stockproof fencing to all boundaries. A high quality parcel of some 4.6 acres currently used for grazing and cropping purposes enjoying council road frontage. The land is generally south facing and relatively level. We believe that the land may hold some diversification potential for alternative use for those seeking a leisure use/potential development or diversification and conservation projects (stc).

The land would present itself as an ideal add-on to an existing enterprise.

We recommend early viewing of the land as it is located in a favoured agricultural community and is expected to be sought after.

Viewing by appointment only. Please contact our Aberaeron office on 01545 571600.

PLANNING

For further details regarding planning for alternative uses, those interested are asked to contact Ceredigion County Council Planning Department on 01545 570881.
