### LOCATION

Axbridge is a town of great medieval charm, its rich history is apparent the moment you arrive and look at its streets and buildings. Many date partly from medieval times and were previously the homes of prosperous merchants, built in close proximity to each other in a long narrow profile and many

have been much modified since. Later centuries have added their own houses and style variations to create the very intriguing mixture seen today. Axbridge is well located for commuting to local business centres of Wells, Cheddar, Weston-super-Mare and Bristol via the nearby M5 and A38. Bristol international Airport is 15 minutes drive away.
