**A distinctive detached Grade II Listed Stucco Villa in a convenient rural location, with spectacular views, 6 bedrooms, 4 bathrooms, (over 5000 sq ft) plus cellars, a coach house, barrel house and terraced gardens and grounds - about 1.7 acres.**

This elegant detached Grade II Listed Stucco Villa occupies a prominent elevated location about 1/2 mile from the highly sought-after village of Fownhope, and enjoys truly spectacular views over the River Wye Meadows with the Black Mountains beyond.

Within Fownhope there are a range of amenities including a shop/post office, butchers, doctors surgery, 2 public houses, an exclusive health and leisure club (Wye Leisure), church, village hall and sports playing field, primary school, the property is also in the catchment area for Bishops secondary school, and the market town of Ross-on-Wye is easily accessible (9 miles) with access to the M50 motorway (jct 3).

The main house dates back to the early 19th Century, and is one of the "landmark" properties in the locality occupying a private yet accessible location, just off the B4224.

The accommodation is over 3 floors, plus extensive cellars, has a quality hand-made kitchen, re-fitted bathroom suites, gas central heating, original secondary-glazed sash windows, numerous open fireplaces and extends to approximately 5000 sq feet, being ideal for a larger family, suited for those wishing to entertain and also having excellent parking.

Within the grounds there is a former Barrel House and close to the property is a substantial former Coach House which would be perfect for conversion into an additional residence, but currently provides space for a gym, parking and storage.

Rock House stands in landscaped and terraced gardens and grounds which extend to approximately 1.7 acres, there are various seating areas, a Bothy, and the gardens extend to an area of woodland and have been designed to take advantage of the glorious views.
