## Owner's View

This impressive three-storey traditional family home offers spacious and versatile living across five bedrooms, making it ideal for growing families. Situated on the sought-after St Mary's Road, the property combines classic character with modern comforts. The ground floor features two generous reception rooms, a stylish and modern fitted kitchen, a practical utility space and a convenient downstairs W/C. Upstairs, you'll find a contemporary family bathroom and a separate shower room, ensuring plenty of space for busy family life. Two further bedrooms are located on the second floor, providing privacy and flexibility for larger households or those working from home. Externally, the property boasts a driveway to the front and a sizeable garage to the rear, complete with lean-to, inspection pit, and an electric shutter—ideal for car enthusiasts or those needing excellent storage and workshop space. A fantastic opportunity to secure a spacious family home in a well-connected location.
