The Situation

Pilley is an extremely attractive and sought after village in the New Forest National Park, being equal distance between the nearby Georgian market town of Lymington which is famous for its internationally renowned sailing facilities and two deep water marinas and Brockenhurst, which offers an excellent local community of independent shops and restaurants, together with a mainline railway station which has a half hourly service to London Waterloo (approx. 90 minutes). There are also plenty of cycle routes through the forest immediately from the doorstep. Milford and Highcliffe beaches are easily reachable and excellent for water sports. There is an excellent local shop in Pilley, a popular Primary School and public house, the Fleur de Lys, which is considered to be the oldest in the New Forest with records dating back to 1096. A bus service connects with the neighbouring Georgian market town of Lymington (approximately 2 miles due south).

Externally the property has a pretty garden, large summer house/office and ample parking.

Grounds & Gardens

Externally, the property has a delightful, well stocked classic cottage style garden that provides an array of colour and interest. Wrought iron double gates provide an off road gravelled parking area. The rear garden which is a particular feature of the property has areas of lawn interspersed with a variety of mature shrubs, trees and various fruit trees. There is a large summer house/home office at the back end of the garden with electricity, which would be a perfect set up for someone working from home.
