This home is ideal for a couple or a young family and offers a great opportunity to escape the hustle and bustle of city life while still being able to easily access work and other amenities.

Back Street is a charming and historic lane in the heart of Ashwell. The street is lined with charming cottages and houses that date back to the 17th and 18th centuries. The village is located just off the A505, which provides easy access to nearby towns and cities such as Baldock, Royston, and Cambridge. There is also a train station that provides regular services to London Kings Cross - less than a 10 minute drive from your doorstep.

In the heart of the home, the living room is a great space with plenty of room for a large sofa, armchairs, and other furniture. You can create a cosy atmosphere by adding soft furnishings and decor that reflects your personal style.

The 20ft dining room with patio doors opens to the rear garden, making it perfect for family gatherings or simply enjoying a cup of tea in the sun. The ground floor also includes a convenient downstairs shower room/utility area.

A large kitchen/diner at the back of the house is perfect for those who love to cook. It has ample worktop and storage space, making meal preparation a joy. The quarry tile flooring not only looks great but is also easy to clean, ideal for busy family life. Whether you have pets or children, spills and messes can be easily wiped away.

When it's time to unwind and recharge, the four double bedrooms upstairs are perfect for cosying up. And if you work from home, the fifth bedroom is an ideal office space, so you won't need to move your work stuff from the living room when guests arrive. All five bedrooms are carpeted, ensuring no cold feet getting out of bed on a winter morning.

Although not the most modern, you'll love the size of the large bathroom with a shower over the bath, perfect for a quick shower in the morning or a relaxing soak in the evening.

For those with a car, the off-road parking provided by the driveway and garage is a real bonus, offering loads of extra storage or a place to keep your car safe. The rear garden is mature and landscaped with a great-sized lawn, perfect for enjoying a relaxing day under the sun or having a fun, family BBQ. There's even a shed for storing BBQs, garden tools, and bikes. Plus, the garden is not really overlooked, giving you ultimate privacy and tranquility.

For young families, Ashwell has a highly-regarded primary school, rated "Good" by Ofsted. There are also several excellent secondary schools in the surrounding area, including The Knights Templar School in Baldock and Roysia Middle School in Royston. The village is surrounded by beautiful countryside, ideal for hiking, running, cycling, and wildlife watching. It has a close-knit and friendly community, with many local events and activities that bring people together. There are also several local clubs and organisations that residents can join to meet new people and get involved in the community.
