Once through the feature arched entranceway number four is located just in front of you where you will see an attractive car port which can part shelter 2 cars, an electric car charger and a small patio area at the front. Once inside this mid-terrace home you will find the deceptively spacious accommodation has been exceptionally well maintained and updated by the current owners. They have a fitted a beautiful high specification kitchen with quartz worksurfaces and fully fitted with Neff appliances, a new bathroom suite, plastered ceilings, added solar panels on the roof to ensure lower electricity bills and an air source heat pump for the central heating! Also there is Upvc double glazing. The lounge has enough space for a dining table and sliding doors which lead out to an enclosed and private patio area. The patio is easy to maintain and backs directly onto open countryside that is still part of the Badminton estate. Upstairs there are two very good size bedrooms, the rear one (also suitable as the master) having far reaching field views. The property is ideal for dog walkers and ramblers as there are many country walks close to the property. The sellers are hoping to buy a new build house which would be the END OF CHAIN!
