PROPERTY DESCRIPTION

Rumbling Bridge is a small rural village situated in the county of Kinross-shire, enjoying a quiet and peaceful setting immediately South of the River Devon. It has the desirable advantage of a central geographical location for easy access in all directions, inclusive of the M90 and the coveted 'Park & Ride' services from nearby Kinross to Edinburgh Airport and City. As well as being an excellent commuter location, the area also regularly tops the 'Best Places To Live' survey, so it's easy to see why people wanting the best of both worlds would choose to make a home here. The nearby village of Powmill has its own store, Village Hall and is home to the much loved 'Powmill Milk Bar', which is renowned for its excellent food and home baking. Local catchment schools are extremely highly rated with Kinross High School and Community Campus widely recognised as one of the best comprehensive schools in the county. With the equally local and sought after prestigious Dollar Academy just a few minutes away, private education is just as accessible and as there are a whole host of other highly rated public schools within easy travelling distance the location is ideal. Equidistant towns and villages which spread out from Powmill's centre combine to offer a very wide range of shops and facilities and there are many varied sports clubs, organisations and creative pursuits to participate in. For a more comprehensive list of available activities for all age groups e.g. see www.kinross.cc
