Situation

Stanley Road is a most sought after location to the south of the High Street and within minutes of the marinas and sailing clubs of the Georgian market town of Lymington. This cosmopolitan town also offers diverse shopping facilities, a picturesque harbour and is surrounded by the outstanding natural beauty of the New Forest National Park. To the north is the New Forest village of Lyndhurst and Junction 1 of the M27 which links to the M3 for access to London. There is a branch line train link to Brockenhurst Railway Station (approximately 5.5 miles) which provides a half hourly service to London Waterloo with a journey time of approximately 90 minutes.

Directions

From our office proceed up the High Street and take the first turning left into Church Lane. After some distance proceed straight on into Broad Lane and at the end turn left into Stanley Road. The property can be found a short distance on the left hand side.

The property would benefit from some modernisation.

Grounds & Gardens

There is a small front garden with a low retaining wall. This area can potentially be cleared to create off road parking. To the side there is access which leads to the lawned rear garden being approximately 40 ft in depth with various trees and mature plantings. The owners plan to retain the majority of the rear land in order to build a new residential property. The outline of the garden is shown by the red line on the external rear garden photo.
