The Property

Upon arrival, the home exudes style and sophistication, with a beautifully landscaped approach offering washed gravel driveways, designated parking areas and an electric car charging point. A pillared, covered entrance with contemporary lighting leads to a striking composite front door, setting the tone for the quality found within.

The double-height vaulted ceiling creates a stunning first impression, with natural light pouring in through a high-level dormer-style window. Thoughtfully designed, the hallway features a spacious under-stair storage cupboard, a large airing cupboard housing the hot water cylinder and oak internal doors leading to the principal rooms.

A superb reception space, this room is flooded with light from large, double-glazed windows and double doors opening onto the rear garden. Perfect for relaxation or entertaining, the living room is wired for modern living with ample power points and a television point.

At the heart of the home is the breathtaking open-plan kitchen and dining area, finished to the highest specification.

The kitchen features a range of elegant country cream units are complemented by stunning veined stonework surfaces and a central island with a four-ring induction hob and downdraft extractor. Integrated NEFF appliances include an eye-level double oven, fridge/freezer, and full-size dishwasher. A ceramic sink with an engraved drainer adds both style and practicality.

The dining space enjoys views over the rear garden, with double doors providing seamless access to the patio, ideal for alfresco dining. Pendant lighting and recessed ceiling spotlights create a warm, inviting atmosphere.

Situated to the front of the property, this practical space includes a sash window, base units with laminate worktops, and plumbing for utilities. The Ideal Logic gas-fired boiler is discreetly housed here, with a connecting door to the integral garage.

Grounds & Gardens

The rear garden is a standout feature, encompassing a substantial portion of the 0.45-acre plot. A large Indian Sandstone patio extends directly from the house, leading to a lawn interspersed with mature Scots Pine trees. Low-maintenance planting adds interest, while new timber fencing provides privacy and security. A pedestrian gate to the side allows convenient access to the front of the property.

The spacious garage is accessed via an electric roller door and offers high ceilings, power, lighting, and a rear pedestrian door to the garden.

The front approach is designed for ease and aesthetics, with washed gravel driveways, brick-paved parking for multiple vehicles, and low-maintenance bark borders with mature hedging for privacy.

Additional Information

The property is sold with the benefit of a 10-year ICW warranty, providing peace of mind for the discerning buyer.
