Description

Set at the end of a quiet cul-de-sac, this two-bedroom bungalow offers plenty of appeal. While some updating would now be beneficial, the property is presented to an exceptionally high standard. Its corner-plot position provides an attractive sense of space and the added advantage of no onward chain. Inside, the bungalow enjoys a bright and welcoming feel. The light-filled sitting room captures distant views of the Mendips, creating a pleasant outlook. There is a practical galley-style kitchen, two double bedrooms and a bathroom. Outside, well-proportioned, low-maintenance gardens wrap around two sides of the property, each benefiting from favourable south and west-facing aspects.
