ACCOMMODATION:

Entering via the primary access at the front elevation, leads you into the spacious and impressive reception hall which is superbly presented in calming and warm decorative tones, perfectly setting the scene for the rest of the accommodation. From here there are doors off to the well proportioned study, which not only suits home working or study aged children, but easily offers a potential fifth bedroom if required. The generous sized sitting room is finished in a contemporary minimalist look, boasting a stylish media wall with fitted 'floating wall storage units' beneath and shadow gap led lighting above, before glazed double doors open to the impressive open-plan kitchen/diner. This naturally bright and sociable space is sure to be the heart of this home, whether you like to cook, entertain or gather the family at meal times. The stunning contemporary kitchen comprises a comprehensive range of fitted wall and base level units, including a centre island, with granite work surfaces and matching splashbacks over. Integral fixtures include a fridge/freezer, and Bosch appliances to include induction hob, dishwasher and twin oven/microwave. Bi-folding doors with integral blinds, open directly to the rear garden, ensuring a near seamless flow from inside to out when entertaining during the warmer months. A separate utility room provides practical space for busy households, fitted with matching storage cabinetry, granite countertops, a Belfast style sink and space for laundry appliances. Completing the ground floor is a guest cloakroom with WC and wash basin. Moving upstairs you'll discover a particularly spacious landing area with a large fitted airing cupboard and doors opening to four good sized bedrooms and the exquisite family bathroom. All four bedrooms could accommodate double beds if required, whilst the generous primary suite enjoys its own beautifully appointed shower room. The remaining bedrooms are served by a simply stunning bathroom that boasts a huge walk-in shower, freestanding rounded bathtub, integral flush WC and twin basins over a 'floating' vanity.

OUTSIDE:

The traditional appearance of this modern home was sympathetic to local architecture, using a double fronted style similar to Victorian era cottages found in the neighbouring villages. The pretty exterior is framed by Blue Lias stone walls enclosing a cottage style front garden full of vibrant seasonal flowers and shrubs. Access at the side of the property leads to a spacious driveway with parking for up to five vehicles, and the former detached double garage, which has more recently been converted to a 'studio/ garden room', proving the idea home office, games room or gym. Obvious potential also exists to create a self-contained annexe here, subject to the

necessary consents. The enclosed rear garden has external entry gates at the side and rear of the plot, whilst the bi-folding doors and the utility room door, opens out to a fabulous recently laid patio, large enough for family gatherings. The remainder of the garden comprises a well-maintained lawn bordered by neatly trimmed hedging and small variety of fruit trees, ensuring a relatively low-maintenance garden that's both child and pet friendly, yet doesn't compromise on aesthetics. Outdoor lighting means your barbecue doesn't have to end when the sun goes down, creating a lovely ambience into the evening. This one of a kind home must be viewed to appreciate all that it offers.

SERVICES:

Mains electric, water and drainage are connected, and LPG-fired central heating is installed. The property is currently banded E for council tax, within Somerset Council. Ofcom's service checker states that external mobile coverage is likely with four major providers, whilst Superfast broadband is available in the area.
