DESCRIPTION

The property has been thoughtfully extended and comprehensively updated by the current owners to create light-filled, versatile accommodation arranged over three floors. Finished to a high standard, the home features excellent energy efficiency with underfloor heating throughout all levels and offers a seamless blend of modern design with traditional features.

A timber-framed porch with tiled roofing leads into a welcoming entrance hall where a striking oak staircase rises to a galleried landing, setting the tone for the space and light that defines the property. The main reception room is a bright and elegant space with dual aspects, featuring a fireplace as a focal point and bifold doors opening onto the south-facing garden. A second expansive open plan living, dining and kitchen space forms the heart of the home, designed with contemporary family life in mind. The bespoke kitchen is fitted with high-quality cabinetry, attractive worktops, two integrated ovens and an induction hob, while the adjacent dining and living areas enjoy a direct connection to the garden through bifold doors, making it an exceptional space for entertaining and everyday living. A practical boot room, utility space and ground floor shower room complete the ground floor accommodation.

Upstairs, the principal bedroom and two further generous double bedrooms benefit from far-reaching views and are served by a beautifully appointed family shower room. The

top floor has been cleverly converted to provide two additional double bedrooms, ideal for guest accommodation, a home office, or further flexible living space.

OUTSIDE

Externally, the gardens are a particular feature. Designed for both enjoyment and productivity, they include extensive lawns, a large sun terrace, and a sheltered kitchen garden area with raised vegetable beds, a greenhouse, and a chicken coop. The driveway provides parking for multiple vehicles and leads to a substantial garage, complete with power, lighting and additional storage.

ADDITIONAL INFORMATION
