#### LOCATION

An important wool-producer in the Middle Ages, Axbridge has always been at the centre of things. Indeed, in earlier times, it was a river port. This was reflected in its early charters allowing it to hold

markets, fairs and become a royal borough. It even had its own mint, with coins showing the town's symbol - the Lamb and Flag. The layout of the town has changed little over the centuries, a medieval town expanding on a fortified Saxon burgh and even today visitors can wander the winding streets that remain at the heart of this charming place and soak up hundreds of years of the histories of ordinary lives. Axbridge is well located for commuting to local business centres of Wells, Cheddar, Weston-super-Mare and Bristol via the nearby M5 and A38. Bristol International Airport is 15 minutes drive away. The town also benefits from a public house, a post office and a local store as well as an excellent primary school, pharmacy and doctors surgery. A regular farmers' market takes place on the first Saturday of each month. Axbridge is also situated within the Kings of Wessex School catchment area. The surrounding countryside of the Somerset levels and the Mendip hills with a reservoir in between, provide excellent opportunities for hiking, mountain biking, windsurfing and sailing. The area also enjoys a good number of quality golf courses. Alternatively, relax and enjoy the beauty and atmosphere of this historic town.
