Jack Taggart & Co are delighted to present to the market this charming, two double-bedroom, ground floor apartment positioned within an Edwardian home, in the popular Elm Grove area.

The living room, at the front of the property has extensive south-facing bay windows and is large enough to dine in. The living area boasts a magnificent Edwardian fireplace, with original tiles. It also has high ceilings, white wall and grey carpet throughout.

The master bedroom is a great size and has a large sash window. Just outside this bedroom is a wide hallway with the perfect spot for excess storage units or bookshelves. The second bedroom is at the back of the property and large enough to accommodate a double bed, or would make an ideal office, or children's bedroom.

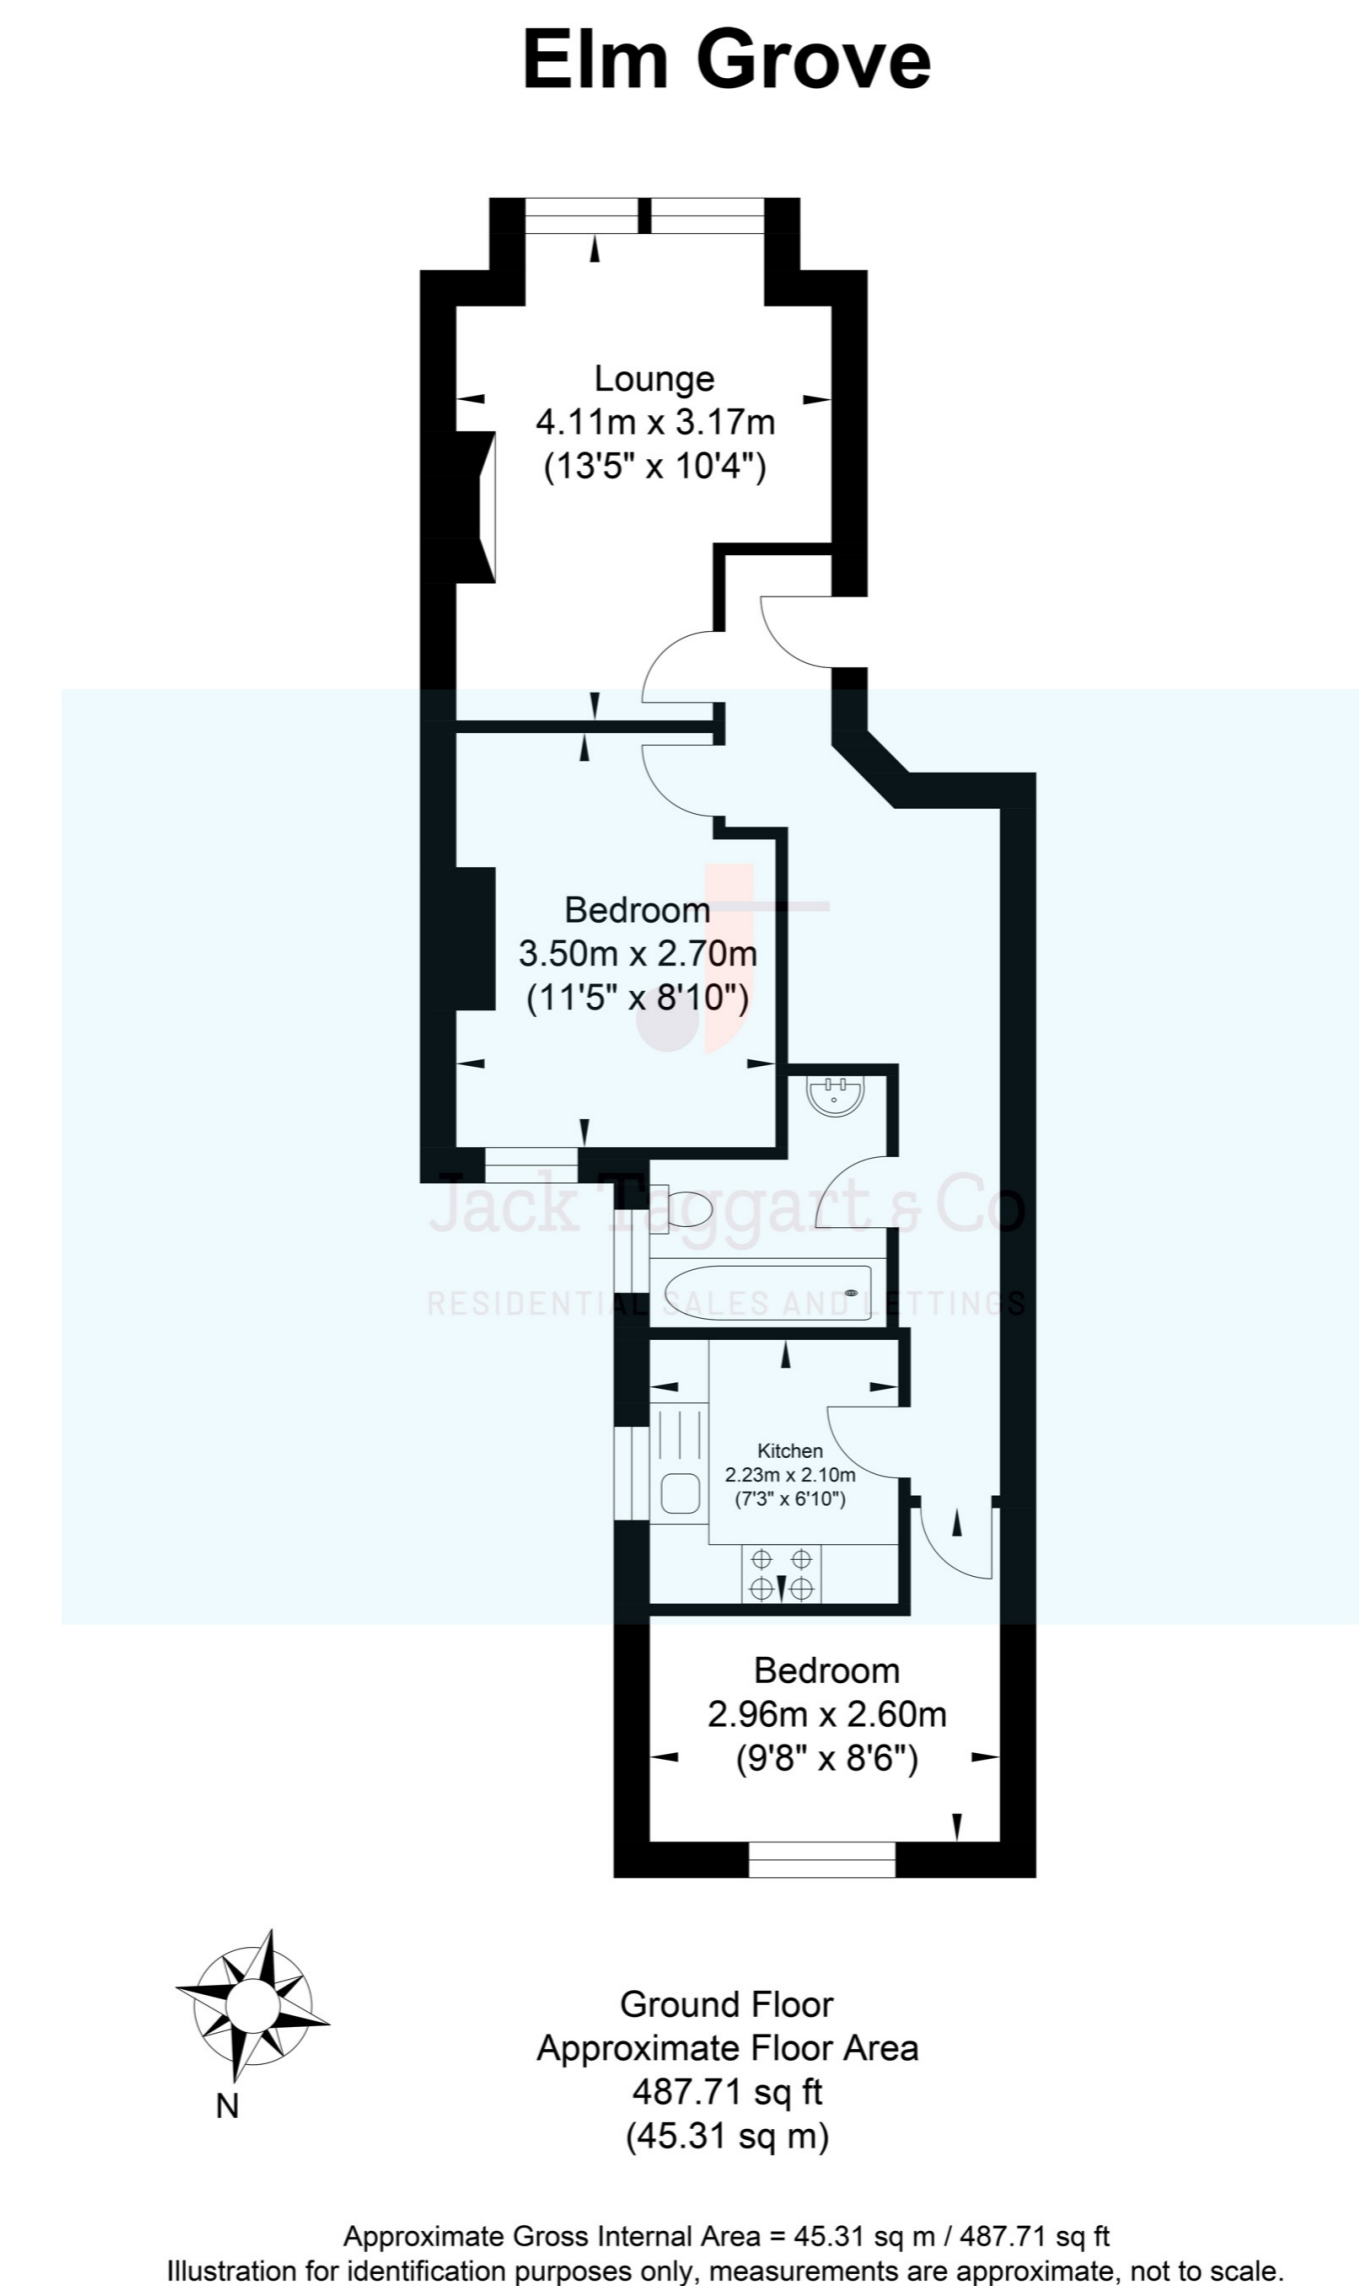

Both bedrooms provide uninterrupted views over the picturesque famous South downs.

The kitchen has been recently renovated. The kitchen has white bespoke cupboards, with soft touch and lots of storage. A electric hob, gas oven, boiler and space for a washer dryer. With lots of plugs and a window to let in light, this kitchen is perfect for any family or foodie.

Also recently renovated, the bathroom has high-quality fittings and fixtures with built-in bath and over-head shower. Timeless styled white tiles surround the bath, hand basin, mirrored storage cupboard, heated towel rack and sleek toilet unit.

The property is within easy walking distance of city centre shops, bars/pubs/restaurants, with easy access to the South Downs and Racecourse Hill to the East – perfect for country walks. It is within easy reach of Brighton station and Lewes Road thoroughfare.
