Description

10 Mountfield Villas occupies a semi rural location in the popular village of Mountfield. The property itself sits back from the lane and enjoys generously proportioned accommodation to include an impressive double aspect reception room with log burner and doors into the rear garden. The kitchen is modern, well presented and sits directly next to the comfortable dining room which centers around an original wrought iron fireplace. To the first floor there are three double bedrooms, the master bedroom being no less than 20ft in length and shows obvious potential to create an en-suite bathroom. All the bedrooms enjoy rural views to both the front and the rear and the modern family bathroom has recently been refitted and enjoys a bath and separate shower. The outside space is a particular feature of Mountfield Villas, the block paved driveway provides ample off-road parking and turning for multiple vehicles. To the rear of the property is an established and generous garden which offers a good level of privacy. There is a variety of useful outbuildings and a workshop. The property is situated between Mountfield and Robertsbridge. The nearest mainline station is in Robertsbridge with services to London Charing Cross in just over an hour. The town offers basic day to day amenities including vets, dentist, doctors surgery, primary and secondary schools. A more comprehensive range of facilities can be found in nearby Battle. The area is generally well served with places of historical interest, recreational facilities and an early viewing is highly recommended.

Directions

From our office in Battle High Street proceed in a northerly direction taking the third exit at the roundabout onto the A2100 London Road.
