DESCRIPTION

39 Whitestone Road is a charming, well maintained semi-detached family home with a large garden in a popular area of Frome, within proximity of primary, middle and secondary schools. Available to the market for the 1st time, having been in the same family since being built in 1962. Priced to sell quickly, early viewings recommended. Offered for sale with no onward chain.

You enter the home into a generous hallway, with plenty of room for coat and boot storage, as well as a large cupboard under the stairs. The living room is a great size for a family, bathed in light, with electric fire focal point. Original double doors lead through to the dining room, which has lovely views over the garden.

The kitchen has recently been completely replaced, as has the bathroom and further improvements made throughout the house, including the total rewiring of the whole house. There are a range of wall and base shaker style units, with a tall larder, electric hob and integrated oven. The layout has been reconfigured to include lots of worktop space and storage. There is also a stable door out to the enclosed carport.

Upstairs there is a wide landing with big airing cupboard. The large bathroom is bright and light from the 2 windows, with a shower over the bath and additional storage unit.

There are two good sized double bedrooms, both with bespoke, carefully considered, built-in storage and long ranging views.

A third bedroom is a decent sized single but would also make an excellent office. The property benefits from excellent internet speeds.

The loft is insulated, part boarded and accessed via a built-in ladder.

The house has been an exceedingly happy home for two generations of the same family and has been meticulously maintained. It now presents a fantastic opportunity for someone to make it their own.

OUTSIDE

The property is set back from the road with a low maintenance front garden, currently laid to gravel with some mature planting. There is off-road parking available for multiple vehicles in the garage, large carport and front driveway. The detached garage has an apex roof suitable for storage. The garage benefits from numerous power outlets.

The garden is predominantly grass with a central path. It's a fantastic blank canvas for any new occupant.
