OUTSIDE

The property is set back from the road with gated entrance leading to a block paved driveway providing parking for approximately four vehicles and leading to the garage and front entrance door. To the rear we have the real feature of this property which is the fabulous outside space. The current vendors have sectioned it off into four separate areas of garden with a lovely path taking you down the side and the full length of the garden space. Initially upon exiting the property you enjoy a lovely paved patio area with seating area before a landscaped shaped lawn having mature bedding plant border divided by timber stiles with lovely timber gates taking you to the separate sections. The post and style gate takes you via a paved path through a natural canopy to a further seating area with its own lawn and bedding plant border the next section of the garden again laid to lawn with a central paved patio seating area and having freshly planted trees, before the final part of the garden which has a concrete hardstanding area ideal for good sized shed and greenhouse, before you reach the orchard. The back section of the lawn is currently used as fruit orchard having apple, pear, damson and plum trees, still having plenty of lawn section for seating, two very good sized timber sheds at the rear and fenced and hedged boundaries. The garden is a truly stunning feature of the property and has to be seen to be truly appreciated.
