The Property

Enjoying an enviable position within this highly regarded location in the heart of Frimley Green village, a short walk from a wide range of shops and amenities, is this delightful semi-detached family character home. The home offers good sized accommodation and there is obvious scope to enlarge further to the rear, which many other properties in the road have done, subject to the usual planning consents. There are two generous sized reception rooms, with the living room boasting a feature fireplace and the dining room affording twin casement doors out into the rear garden. The kitchen is fitted with a modern beige fronted range of base and eye level units. Upstairs, there are three bedrooms along with a white family corner bathroom suite. The rear garden extends to approximately 100ft with a patio leading to an area mainly laid to lawn with a range of mature shrubs/bushes and a gated side access.
