

This three/four bedroom semi-detached family house is privately situated on a rarely available cul-de-sac within the Lent Rise School catchment zone and is offered to the market as superbly presented. The property comes onto the market with planning permission for a single-storey rear extension to attach the annexe and create an extra reception room and two bedrooms - turning the property into a five bedroom house. The existing house is Grade II Listed and was built circa 1855 and has an abundance of character features including cottage bar windows, original fireplaces and wood flooring.

The ground floor features two reception rooms with the inclusion of a 14ft living room and a 12ft dining room with log burner. There is also a recently installed 12ft kitchen/breakfast room with Corian worktops.

To the first floor there are three bedrooms and a contemporary four piece family bathroom.

Externally the rear garden wraps around the property and provides access to the 14ft self-contained annexe which is currently used as a home office. To the front there is a gated driveway with parking for up to three cars.

This property is an excellent family home, nicely tucked away on a secluded plot, and comes onto the market with plenty of character and in immaculate condition.
