Senuna Park is an exclusive development by renowned Hertfordshire housebuilder Matthew Homes, offering a thoughtfully curated collection of 3, 4 and 5 bedroom homes set within the picturesque and historic village of Ashwell. Surrounded by open countryside yet conveniently located just four miles north-east of Baldock, the development successfully combines the charm of village life with excellent connectivity to London and Cambridge.

The ground floor of The Flamstead is centred around a spacious open-plan kitchen and family area, designed to maximise natural light and provide a versatile space for everyday living and entertaining. The contemporary designer kitchen features integrated appliances and elegant Quartz worktops, while the adjoining family space creates a welcoming hub of the home. A separate lounge provides a comfortable retreat, complemented by a ground floor WC for added convenience.

Upstairs, the first floor offers three well-proportioned bedrooms. The principal bedroom benefits from a stylish en suite shower room, while bedrooms two and three are served by a modern family bathroom finished with Villeroy & Boch sanitaryware and high-quality ceramic wall and floor tiling and fitted wardrobes.

Every property at Senuna Park has been carefully crafted with sustainability in mind, incorporating photovoltaic (PV) panels, a Waste Water Heat Recovery System, and complimentary EV charging points, helping to reduce running costs while supporting energy-efficient living.

The village of Ashwell provides an excellent range of local amenities including shops, cafés, public houses, a primary school, nursery, medical and dental services, as well as everyday essentials. Ashwell & Morden railway station, located on the edge of the village, offers regular direct services to London King's Cross and Cambridge, making this an ideal location for commuters.
