GUIDE PRICE: £600,000 to £625,000.

This 1930's bay-fronted semi-detached house is set back off Southborough Lane on the Bickley/ Petts Wood borders, convenient for reputable schools, good transport links (serving Bromley, Petts Wood and Orpington) and 'The Fairway' for local shops. The property is equidistant to two mainline stations (Bickley and Petts Wood) serving five London mainline stations, plus Canary Wharf via Lewisham and ThamesLink service via Bromley South. The property offers three bedrooms, a social dining kitchen to rear aspect, separate living room, contemporary white bathroom with shower and generous rear garden, laid to lawn. The attached garage has been partially adapted to offer a utility area with double glazed French doors accessed via the kitchen and part covered area. There is a private driveway for off road parking for two cars. Benefits include CHAIN FREE AVAILABILITY, double glazing, neutral interior and recent combination boiler. In our opinion there is scope to extend the property to the side and rear elevations, or perhaps add a loft conversion to mirror neighbouring properties (subject to the usual planning consents). EXCLUSIVE TO PROCTORS.
