LOCATION

Rowberrow is a picturesque hamlet situated close to the village of Shipham nestling in

the North Somerset countryside. Although Rowberrow does have a popular public house and a church, further more extensive facilities can be found in the surrounding villages. Indeed, Rowberrow is well served by both primary (www.shiphamfirst.co.uk) and middle schools (www.fairlands.somerset.sch.uk) in Shipham and is much sought after by those commuting to Bristol, as it offers all the advantages of rural living with the Mendip Hills close by. Indeed, it is very well positioned for local transport links and the M5 motorway which is accessible via junction 20 at Clevedon, junction 21 at St Georges and junction 22 at Edithmead. Village facilities in Shipham are available, including post office/stores, garage, public house, hotel and further shopping facilities are available at nearby Winscombe and Cheddar. Private sector schooling is also close by at Sidcot, and the Downs School at Wraxall is within easy reach. In the state sector, Kings of Wessex School (www.kowessex.co.uk) is nearby and for sports and recreational amenities, Churchill School is a drive away. The surrounding area is excellent riding country and is sure to appeal to equestrian enthusiasts and walkers. There is an international airport at Lulsgate and access to the mainline railway station at Yatton.
